Sagewood Elementary School
April 2016

AdvancED Survey

Sagewood is seeking to have 50% or more of parent households complete the annual AdvancEd survey. Parents who complete the survey prior to April 13th can bring a screenshot or printed "Survey Submitted" page to be entered in a drawing for a Google Home or iPad. Parents will have an opportunity to complete the survey at our April 6th Bingo event as well. The survey can be found online at:

<http://eprovesurveys.advanced.org/surveys/#/action/18584/p3030>

Report Cards

Third quarter report cards will be sent home on April 10th in Monday folders. You can always check your child's progress by logging into www.masteryconnect.com. If you do not have a log-in, please contact your child's teacher.

Sagewood Summer Jump Start

Sagewood will be hosting Summer Jump Start for students in grades K-4. The dates are still to be determined, but typically start after July 4th and run to the start of August. Students will focus on reading and math, with some additional science work.

If your child is referred you will receive a letter toward the end of the school year. If you do not receive a referral but would like your child to attend, please contact his/her teacher for more information. Space is limited but we want as many kids to attend as possible. Please watch for further details.

After School Student Pick-UP

A few reminders to help us improve afterschool pick-up and promote student safety:

- **Please refrain from crowding at the doors to pick up students, this may cause confusion between students and staff.**
- **Please encourage your students to use crosswalks.**
- **If parking on the street, please meet your child at the building.**
- **Drive slowly and keep an eye out for students at all times.**

Thank you for your cooperation and support in keeping students safe at Sagewood.

Lunch Reminder:

No meals can be charged after Friday, April 28th. If you still owe money in May, your child will need to bring a lunch from home - or you will be called at first recess to bring one in.

Please see what you can do to bring your lunch account up to date by making payments now. The "through the end of the year" totals for APRIL 3rd are:

- full price breakfast \$74.25
- full price lunch \$123.75
- reduced breakfast \$13.50
- reduced lunch \$18.00
(prices do not include extra milk or extra meals)

Thanks!

Nurse's Corner

Spring is in the air and with that students need to dress in layers as we may be cool in the morning and warm up throughout the day. Remind your child to stay clear of the mud puddles at school. Please send extra clothes if you know your child will not stay out of the water/ mud.

As you are going through your child's winter clothes if you have any size 5-8 pants or sweat pants that you would donate to the nurse's office, I would greatly appreciate any donations that I can use for students who have accidents or need dry clothes at school. If your child has an accident at school, I would like to have them change as soon as possible then let you know that way the child is clean and dry and can go back to class.

If your child has used any of my donated clothes/ especially sweat pants, please wash them and return them so I can help out another child who may need dry clothes.

Congratulations to all of our 3-5 grade students who put forth such awesome effort on their PAWS tests. Thank you to all of the parents who made sure they had a good breakfast and adequate sleep!

We will be starting our NWEA tests in April. This will be a great indicator of how much growth our students have made during the year. Once again, we are asking that students come rested and ready for those assessments. Your child(ren)'s teacher will let you know on which day they will be testing.
