Empowering a community of learners and leaders

Welcome to the last full month of the school year!! I want to thank all families that attended student led conferences in April. It was great to see families sharing in all the learning that is happening and the support of your students is what makes Sagewood great!

Communication to and from school is important and we want to make sure that all communication we send makes it home. We need your help with this. Please make sure that your contact information in Infinite Campus is up to date, including emergency contacts. Last week there was district level communication that came out about how to update your information. This information is attached in this letter for your support.

Here are a few PTO updates for all Sagewood families. Papa Murphy's sheets that come home on Monday's have to be given with the payment for your pizza completed with your child's name. If you have children in multiple grade levels/classrooms you are able to list them all on one slip when you turn it in and this will give credit for the pizza orders to their class. There will be incentives for classes when they reach a goal. Our boxtops are rolling in and we will continue to collect them until the last day of school. The last amount we tallied was 285, this brings our grand total to 3,892. We are only 108 away from our goal of 4,000. So, if you have some ready to send in please do so soon and we will be able to celebrate with popsicles!!! Our end of the year goal was 5,000 and the good news is there is still time. Last, our Texas Roadhouse fundraiser was a great success. We will be celebrating the top sellers with a special lunch so they can be recognized for their work. Below are the students who sold the most in each grade level. A huge thank you to all the families that participate in this fundraiser as we are working towards a washer and dryer for the school.

Preschool: Addysen Earp, Maggie Moore and Trevor Sjostrom

Kinder: Ariyan Agena, Maliyah Vodicka and Reed Lavin

First: Scarlet Hink and Finley Brummond

Second: Chase Stockman, Vanessa Dalgarn, Kylie Lassiter

Third: Harleigh Fenus, Alaina Dutcher and Donovan McIntyre

Fourth: Jaisley Munsell, Hunter Glynn, and Katelyn Ferrell

Fifth: Emilio Gonzales, Sadie Massmann and Abigail McIntyre

The first week in May is teacher appreciation week and we want your help celebrating the great staff we have at Sagewood. PTO has established a week's worth of celebrations for families to participate in to celebrate all staff. This sheet is attached to the newsletter. We hope you will join us in celebrating the amazing staff we have at Sagewood.

We have a lot of great things happening over this next month and we look forward to finishing out a great year with all the amazing families of Sagewood!

:) Mrs. Lavin

Parents,

Parent Portal is your window into your child's world at school. Stay connected and keep track of your children's educational career within the Natrona County School District.

As the school year winds down, we will be sharing important information with parents and guardians on the end of school year events and planning for next year - specifically, items like Transportation registration and enrollment information.

We are asking you to please take a moment and log-in to your Infinite Campus Parent Portal (sometime from April 26 through May 15). If you updated your information during this year's online enrollment process then your information is current and you don't need to do anything.

- Please update your household's demographic information:
 - Address Changes
 - Current Phone Number
 - Email Addresses
- Options for completing this update are:
 - **Preferred** Method:
 - Update by Parent Portal Website
 - Update by New Campus **Parent** App
 - If you DON'T have a Parent Portal OR you have forgotten your password, please call 253-5306 for assistance.
 - Alternative Method:
 - Contact your student's School Office
 - Contact the NCSD Enrollment Office
- New App Information - (Mobile Friendly)

In late May, we will be sending out information for parents to make bus transportation requests for the 19-20 school year. This update will help
