

Sagewood June News

Empowering a community of learners and leaders

Hello Sagewood Families-

I wanted to wrap up the year with one last letter to give some updates/information to all families. Our lost and found will be donated at the end of the school year. Please encourage your child to look through the items or come see if items belong to your family. It is displayed on a table right outside the office. The PTO has worked this year to raise money for a washer and dryer for the nurse's office and we are thankful for this. This is in the works, they have been ordered and the timeline for work is being established!

Summer school notes have been sent home twice in the past month. If your child was invited to summer school please send those back to let us know if they are planning to attend or not. If you have any questions about this please contact Mrs. Strom or your child's teacher. Summer school at Sagewood will be June 22nd- August 2nd. Transportation and meals are not available for summer school. Only snacks will be served during this time. I encourage families of those invited to consider attending as it will support your child during what could be a summer slump.

A big thank you to Sarah Dilts, Rebekah Jones, Shannon Dutcher, Katie Moore, and Alicia Tucker for giving of their time to support the budgeting process at Sagewood. The feedback from this team of parents and teachers has provided us with some great ideas of how to use our budget for next year. A few ideas were increasing the number of walkie-talkies in the building for each room to have access to one for safety, a digital message board for the outside of the building to support communication with families, and continuing to increase books in classrooms to impact students access to text. We will be able to support a couple of items based off the needs of the building.

I know there has been a lot of talk around the school supplies for next year and our team at Sagewood will ensure that your children will have all they need to be successful next year with supplies for learning. If you are wanting to purchase school supplies as this is something that your child loves to do please feel free to get supplies for your child. Backpacks will not be included in what is provided for students next year. Please contact the office with any questions about school supplies.

For the 2019-2020 school year there will be some Sagewood faces in new places along with some new faces. Here is the current list of teaching teams for the 2019-2020 school year.

Kindergarten: Miss Good, Mrs. Owens, and Mrs. Patterson

Empowering a community of learners and leaders

Class lists will be finalized this summer and families will be notified of specific teacher placement from their classroom teachers in addition to them being posted in the office closer to the start of school. On June 3rd, students will spend time with their new grade level teachers.

I want to also take a moment to thank the Sagewood community for being such an amazing team. I have enjoyed getting to know the families and am excited to continue this journey with all of you. It has been a great year focused on learning and I can't wait to see what the fall brings. As always thank you for sharing your amazing kids with us each day and I hope you have a safe and sunny summer! See you all at Back to School Night in August!

:) Mrs. Lavin
